## MANFAAT MEDIS

## Medical Benefits

# M1. Eligibility dan keluarga

# M1. Eligibility and family coverage

| BAHASA INDONESIA | ENGLISH |
|---|---|
| **BAGIAN I MANFAAT MEDIS**<br><br>**Eligibility dan cakupan keluarga** | **PART I MEDICAL BENEFITS**<br><br>**Eligibility and family coverage** |
| Manfaat medis pada Bagian I tidak berlaku selama masa probation. Pembayaran mengikuti biaya aktual, eligibility, dan sisa limit yang berlaku. Santunan pernikahan dan kedukaan perusahaan mengikuti Bagian II yang telah disetujui. | Medical benefits in Part I do not apply during probation. Payments follow actual expenses, eligibility, and the remaining applicable limit. Company marriage and bereavement grants follow the approved provisions in Part II. |
| Data keluarga mengikuti Kartu Keluarga (KK) yang disampaikan saat bergabung dan pembaruan yang telah diserahkan kepada perusahaan. Anak yang ditanggung adalah anak pertama sampai ketiga, belum menikah, dan berusia maksimal 21 tahun. | Family records follow the family card (KK) submitted upon joining and subsequent updates provided to the company. Covered children are the first to third children, unmarried, and no older than 21 years. |
| Rawat inap: karyawan laki-laki dengan masa kerja minimal 2 tahun dapat mencakup istri dan maksimal 3 anak sesuai ketentuan keluarga perusahaan. | Inpatient benefits: male employees with at least 2 years of service may cover their wife and up to 3 children under the company family eligibility rules. |
| Rawat jalan: cakupan istri dan maksimal 3 anak berlaku bagi karyawan laki-laki dengan masa kerja minimal 5 tahun. Limit tetap mengikuti kelompok jabatan dan sisa limit yang berlaku. | Outpatient benefits: coverage for a wife and up to 3 children applies to male employees with at least 5 years of service. The limit continues to follow the job group and the remaining applicable balance. |
| Plan rawat inap mengikuti kartu kepesertaan atau penetapan resmi perusahaan. Staf pada umumnya menggunakan IP600 dan kelompok Supervisor–Manager menggunakan IP800. IP1200 hanya mengikuti plan yang ditetapkan pada kartu atau penetapan resmi perusahaan. | The inpatient plan follows the membership card or an official company determination. Staff generally use IP600 and the Supervisor–Manager group uses IP800. IP1200 applies only where assigned on the membership card or by an official company determination. |

## M2. Rawat inap dan jadwal manfaat

## M2. Inpatient benefits and schedule

| BAHASA INDONESIA | ENGLISH |
|---|---|
| **Program dan dasar manfaat rawat inap** | **Inpatient programme and benefit basis** |

| Batas tahunan tidak terbatas tidak menghapus batas maksimum masing-masing manfaat pada tabel. Plan IP1200, IP800, dan IP600 tidak dapat dipilih sendiri di luar penetapan kepesertaan. | An unlimited annual limit does not remove the maximum for each scheduled benefit. IP1200, IP800, and IP600 are not employee-selectable outside the assigned membership plan. |

# M3. Ketentuan penjaminan

# M3. Coverage terms

| BAHASA INDONESIA | ENGLISH |
|---|---|
| **Ketentuan penting penjaminan** | **Important coverage terms** |
| Masa tunggu untuk penyakit yang sama adalah 10 hari. One day surgery dijamin dalam limit tersendiri. | The waiting period for the same illness is 10 days. One day surgery is covered under a separate limit. |
| Hernia dijamin untuk peserta berusia di atas 12 tahun. Sirkumsisi dijamin apabila terdapat indikasi medis. Endometriosis, kista, dan mioma dijamin selama tidak berhubungan dengan kesuburan. | Hernia is covered for members over 12 years old. Circumcision is covered when medically indicated. Endometriosis, cysts, and myomas are covered provided they are unrelated to fertility. |
| Implan medis seperti ring, stent, screw, pen, K-wire, IOL, dan pacemaker, termasuk operasi pemasangan atau pencabutan, mengikuti manfaat pembedahan. Transplantasi organ hanya menjamin tindakannya; biaya organ dan pendonor tidak dijamin. | Medical implants such as rings, stents, screws, pins, K-wires, IOLs, and pacemakers, including insertion or removal surgery, follow the surgical benefit. Organ transplantation covers the procedure only; the organ and donor costs are not covered. |
| Biaya administrasi masuk dalam Biaya Aneka Perawatan. Biaya nonmedis tidak dijamin. Ekses klaim dibayar di tempat oleh peserta. COVID-19 mengikuti penjaminan penyakit umum. | Administration charges fall under miscellaneous treatment expenses. Non-medical expenses are not covered. Members pay excess claims on site. COVID-19 follows general illness coverage. |
| Apabila peserta memilih sendiri kamar di atas haknya, selisih kamar menjadi ekses klaim. Manfaat lain mengikuti hak plan peserta dan penggantian dilakukan melalui reimbursement. | If a member voluntarily chooses a room above their entitlement, the room difference is an excess claim. Other benefits follow the assigned plan, and reimbursement applies. |
| Jika kamar sesuai hak peserta tidak tersedia atau penuh, wajib ada surat rumah sakit. Pada hari pertama dan kedua, toleransi kenaikan tarif kamar adalah 25% atau Rp100.000, mana yang lebih kecil. Mulai hari ketiga, selisih biaya kamar dan perawatan menjadi tanggungan peserta sesuai ketentuan JMA. | If the entitled room is unavailable or full, a hospital letter is required. On days one and two, the permitted room-rate increase is 25% or Rp100,000, whichever is lower. From day three, differences in room and treatment costs are borne by the member under the JMA terms. |
| Vitamin dan suplemen hanya dijamin jika diresepkan dokter, tidak diresepkan secara tunggal, berkaitan dengan diagnosis yang dijamin, dalam jumlah wajar menurut asuransi, untuk penyembuhan dan bukan pencegahan, serta bukan produk MLM. | Vitamins and supplements are covered only when prescribed by a doctor, not prescribed alone, related to a covered diagnosis, reasonable in quantity according to the insurer, intended for treatment rather than prevention, and not MLM products. |
| Peningkatan plan karena kenaikan jabatan memerlukan bukti dan persetujuan perusahaan. Manfaat baru mengikuti masa tunggu 30 hari setelah tanggal efektif peningkatan. | A plan upgrade following promotion requires evidence and company approval. The new benefit is subject to a 30-day waiting period after the upgrade becomes effective. |
| Ketentuan polis JMA mencantumkan anak sejak usia 0 hari sampai 25 tahun, dengan syarat belum menikah, belum bekerja, dan masih pelajar/mahasiswa. Batas penjaminan polis ini berbeda dari cakupan keluarga perusahaan yang maksimal 21 tahun. Kepesertaan mengikuti data yang disetujui HR dan kartu peserta; ketentuan polis tidak otomatis memperluas benefit perusahaan. | The JMA terms allow children from birth to age 25, provided they are unmarried, not working, and still students. This insurer eligibility differs from the company family benefit limit of 21 years. Membership follows HR-approved records and the member card; insurer eligibility does not automatically extend company benefits. |

## M4. Rawat jalan

## M4. Outpatient benefits

| BAHASA INDONESIA | ENGLISH |

| BAHASA INDONESIA | ENGLISH |
|---|---|
| **Klaim asuransi dan santunan harian BPJS** | **Insurance claims and BPJS daily cash benefit** |
| Klaim reimbursement asuransi mengikuti batas kedaluwarsa 60 hari pada ketentuan JMA untuk Jabodetabek dan luar Jabodetabek. Batas ini berbeda dari pengajuan medical reimbursement perusahaan yang maksimal 30 hari. | Insurance reimbursement claims follow the 60-day expiry limit in the JMA terms for Greater Jakarta and other areas. This differs from the company medical reimbursement submission limit of 30 days. |
| Ketentuan JMA mencantumkan pembayaran klaim 14 hari kerja sejak dokumen lengkap diterima JMA Syariah, ke rekening masing-masing karyawan tanpa biaya bank. Proses aktual tetap mengikuti polis aktif dan kelengkapan klaim. | The JMA terms specify claim payment within 14 working days after complete documents are received by JMA Syariah, to the employee's bank account without bank charges. Actual processing remains subject to the active policy and claim completeness. |
| Santunan harian BPJS dapat diajukan jika peserta dirawat melalui prosedur BPJS dan tidak ada ekses klaim yang ditagihkan kepada JMA Syariah. Limit tabel adalah maksimal 60 hari per ketidakmampuan. | The BPJS daily cash benefit may be claimed when treatment follows BPJS procedures and no excess claim is charged to JMA Syariah. The schedule limit is a maximum of 60 days per disability. |
| Lampirkan surat keterangan rawat inap, salinan resume medis, serta surat total biaya perawatan dan besarnya penggantian BPJS. Perhitungan santunan mengikuti nilai plan dikalikan jumlah hari rawat yang memenuhi ketentuan. | Attach a hospitalisation certificate, a copy of the medical summary, and a statement of total treatment costs and the amount paid by BPJS. The cash benefit follows the plan amount multiplied by qualifying inpatient days. |
| Untuk penjelasan eligibility, pembaruan data, kartu peserta, polis aktif, atau status klaim, hubungi HR Internal. Lampiran contoh form tidak menggantikan file Excel resmi untuk pengajuan. | Contact HR Internal regarding eligibility, record updates, member cards, the active policy, or claim status. # PART II

## KEBIJAKAN PENGELUARAN

## Expense Policy

# 1. Transportasi dinas lokal

# 1. Local business travel

| BAHASA INDONESIA | ENGLISH |
|---|---|
| **BAGIAN II KEBIJAKAN PENGELUARAN** | **PART II EXPENSE POLICY** |
| **Moda utama dan pemesanan** | **Primary transport and bookings** |
| Moda utama perjalanan dinas lokal adalah GoCorp menggunakan GoCar Standard. Karyawan melakukan pemesanan sendiri sesuai limit/rules perusahaan, HR berperan sebagai admin dan monitoring, bukan operator pemesanan. | The primary mode of transport for local business travel is GoCar Standard through GoCorp. Employees make their own bookings in accordance with company limits and rules. HR administers and monitors the service and does not act as a booking operator. |
| **Jenis layanan** | **Service types** |
| Moda utama perjalanan dinas lokal adalah GoCar Standard melalui GoCorp. GoRide bersifat opsional untuk perjalanan jarak dekat jika lebih efisien, dengan mempertimbangkan cuaca, keamanan rute, serta barang atau dokumen yang dibawa. | The primary mode of transport for local business travel is GoCar Standard through GoCorp. GoRide is optional for short journeys when it is more efficient, taking into account the weather, route safety, and any goods or documents being carried. |
| **Titik keberangkatan** | **Starting point** |
| Perjalanan dinas lokal dapat dimulai dari rumah apabila agenda resmi merupakan agenda pertama pada pagi hari. Perjalanan dimulai dari kantor apabila perjalanan bersama lebih efisien atau karyawan perlu mengambil dokumen/perlengkapan kantor. | Local business travel may start from home when the official appointment is the first activity in the morning. Travel starts from the office when travelling together is more efficient or when the employee needs to collect office documents or equipment. |
| Dalam menentukan titik keberangkatan, karyawan menggunakan pertimbangan yang wajar berdasarkan lokasi, waktu tempuh, dan biaya untuk memilih perjalanan paling efisien. | When deciding where to start the journey, employees must exercise reasonable judgement based on location, travel time, and cost to select the most efficient journey. |
| Waktu, lokasi, dan tujuan kegiatan wajib tercatat dalam kalender. Pengaturan lain dapat dilakukan dengan persetujuan atasan langsung dan HR. | The time, location, and purpose of the activity must be recorded in the calendar. Other arrangements may be made with the approval of the direct supervisor and HR. |
| **Kembali ke kantor atau langsung pulang** | **Returning to the office or going directly home** |
| Karyawan wajib kembali ke kantor apabila estimasi waktu tiba di kantor masih menyisakan minimal 2 jam sebelum jam kerja berakhir. Jika kurang dari 2 jam, karyawan dapat langsung pulang. | Employees must return to the office if the estimated arrival time leaves at least 2 hours before the end of working hours. If less than 2 hours remain, employees may go directly home. |

| BAHASA INDONESIA | ENGLISH |
|---|---|
| Karyawan memperkirakan waktu tiba dengan mempertimbangkan lokasi kegiatan, waktu tempuh, dan kondisi lalu lintas. Waktu mulai, selesai, dan lokasi kegiatan wajib tercatat dalam kalender. | Employees estimate their arrival time by considering the activity location, travel time, and traffic conditions. The start time, end time, and location of the activity must be recorded in the calendar. |
| Pengaturan lain memerlukan persetujuan atasan langsung. | Other arrangements require approval from the direct supervisor. |
| **Tol parkir dan pembatalan** | **Tolls parking and cancellations** |
| Tol dan parkir untuk perjalanan dinas ditanggung perusahaan berdasarkan bukti. Biaya pembatalan, waktu tunggu, atau kesalahan tujuan yang disebabkan karyawan menjadi tanggung jawab karyawan. | The company covers tolls and parking for business travel against supporting receipts. Cancellation charges, waiting charges, or incorrect destinations caused by the employee are the employee's responsibility. |
| **Kendaraan pribadi dan pengecualian fungsi operasional** | **Personal vehicles and operational exceptions** |
| GoCorp merupakan moda utama perjalanan dinas lokal. Penggunaan kendaraan pribadi tidak menimbulkan hak atas penggantian biaya. | GoCorp is the primary mode of transport for local business travel. Use of a personal vehicle does not create an entitlement to reimbursement. |
| Ketentuan ini tidak berlaku bagi fungsi Messenger, Formalities, Maintenance, dan Sales yang telah memiliki pengaturan transportasi operasional tersendiri. Pengaturan yang berlaku untuk fungsi tersebut tetap mengikuti ketentuan masing-masing. | This provision does not apply to the Messenger, Formalities, Maintenance, and Sales functions that already have separate operational transport arrangements. The existing arrangements for these functions continue to apply. |
| **Pembayaran transportasi** | **Transport payments** |
| Pembayaran utama melalui tagihan korporat GoCorp. Reimbursement hanya jika sistem/akses GoCorp tidak dapat digunakan dan telah mendapat persetujuan. | The primary payment method is corporate billing through GoCorp. Reimbursement is permitted only when the GoCorp system or access is unavailable and approval has been obtained. |

## 2. Perjalanan dinas dalam negeri

## 2. Domestic business travel

| BAHASA INDONESIA | ENGLISH |
|---|---|
| **Persetujuan perjalanan** | **Travel approval** |
| Pengajuan melalui email kepada atasan dan kepala perusahaan/direktur terkait, dengan HR wajib di CC. Pengajuan terencana minimal 3 hari kerja sebelum berangkat, kondisi mendesak dapat dikecualikan dengan persetujuan. | Requests must be submitted by email to the supervisor and the relevant company head or director, with HR copied. Planned travel must be requested at least 3 working days before departure. Urgent cases may be exempted with approval. |
| **Tiket perjalanan** | **Travel tickets** |
| Setelah perjalanan dinas disetujui, karyawan menyampaikan Travel Request kepada Procurement paling lambat 3 hari kerja sebelum keberangkatan. Travel Request memuat nama karyawan, tujuan, keperluan, tanggal perjalanan, dan jadwal yang dibutuhkan. Tiket dipesankan dan dibayar oleh perusahaan melalui Procurement, dengan pesawat kelas ekonomi atau kereta kelas eksekutif. | Once business travel has been approved, the employee must submit a Travel Request to Procurement no later than 3 working days before departure. The Travel Request must include the employee's name, destination, purpose, travel dates, and required schedule. Tickets are booked and paid for by the company through Procurement, using economy-class flights or executive-class rail travel. |
| **Hotel** | **Hotels** |
| Kebutuhan hotel dicantumkan dalam Travel Request kepada Procurement paling lambat 3 hari kerja sebelum keberangkatan. Hotel dipesankan dan dibayar oleh perusahaan melalui Procurement dengan ketentuan kamar standar untuk satu orang, aman, dekat lokasi tugas, dan memiliki harga yang wajar. | Hotel requirements must be included in the Travel Request submitted to Procurement no later than 3 working days before departure. Hotels are booked and paid for by the company through Procurement. Accommodation must be a standard room for one person, safe, close to the work location, and reasonably priced. |
| **Uang muka perjalanan** | **Travel advances** |
| Uang muka perjalanan dinas diberikan sebesar Rp300.000 per hari untuk makan, transportasi lokal di kota tujuan, laundry, transportasi antara rumah dan bandara/stasiun, bagasi dinas, dan kebutuhan operasional kecil. Apabila tidak mencukupi, karyawan dapat mengajukan tambahan kepada atasan langsung untuk persetujuan. | A business travel advance of Rp300,000 per day is provided for meals, local transport at the destination, laundry, transport between home and the airport or station, baggage required for business travel, and minor operational needs. If the advance is insufficient, the employee may request an additional advance for approval by the direct supervisor. |
| Dana tersebut merupakan uang muka, bukan uang saku tetap, dan seluruh penggunaannya wajib dipertanggungjawabkan melalui LPJ. | These funds are an advance, not a fixed allowance. All use of the funds must be accounted for through a statement of accountability (LPJ). |

| BAHASA INDONESIA | ENGLISH |
|---|---|
| **Laporan pertanggungjawaban** | **Statement of accountability** |
| Laporan pertanggungjawaban (LPJ) disampaikan maksimal 3 hari kerja setelah kembali. Setiap pengeluaran wajib memiliki bukti, sisa uang dikembalikan. Jika biaya sah melebihi uang muka, perusahaan membayar selisih melalui LPJ. | The statement of accountability (LPJ) must be submitted no later than 3 working days after the employee returns. Every expense must have supporting evidence, and unused funds must be returned. If eligible expenses exceed the advance, the company pays the difference through the LPJ settlement. |
| **Perubahan dan pembatalan perjalanan** | **Travel changes and cancellations** |
| Perusahaan menanggung perubahan/pembatalan karena instruksi bisnis, keadaan darurat, atau faktor di luar kendali. Biaya akibat kepentingan pribadi atau kelalaian karyawan ditanggung karyawan. | The company covers changes or cancellations resulting from business instructions, emergencies, or circumstances beyond the employee's control. Costs resulting from personal interests or employee negligence are borne by the employee. |

## 3. Santunan dan karangan bunga

## 3. Employee grants and flower boards

| BAHASA INDONESIA | ENGLISH |
|---|---|
| **Santunan pernikahan** | **Marriage grant** |
| Santunan pernikahan diberikan untuk pernikahan pertama sebesar Rp500.000 bagi karyawan dengan masa kerja 3 bulan sampai kurang dari 1 tahun, dan Rp1.000.000 bagi karyawan dengan masa kerja 1 tahun atau lebih. Pembayaran dilakukan melalui periode penggajian. | A marriage grant is provided for an employee's first marriage: Rp500,000 for employees with at least 3 months but less than 1 year of service, and Rp1,000,000 for employees with at least 1 year of service. Payment is made through the payroll cycle. |

| **Jamuan bisnis** | **Business entertainment** |
| Jamuan bisnis dapat dilakukan untuk pembahasan proposal, kontrak, atau proyek dengan klien/calon klien, pengadaan atau kerja sama dengan vendor, serta pertemuan rekrutmen dan pengembangan bisnis yang memiliki tujuan spesifik terkait kebutuhan perusahaan. Pertemuan rutin tidak otomatis termasuk jamuan bisnis. | Business entertainment may be provided for discussions of proposals, contracts, or projects with clients or prospective clients; procurement or cooperation with vendors; and recruitment or business-development meetings that have a specific purpose linked to company needs. Routine meetings do not automatically qualify as business entertainment. |
| Setiap jamuan wajib mendapat persetujuan Manajemen sebelum pelaksanaan, termasuk anggarannya, berdasarkan kasus per kasus. Pengajuan wajib mencantumkan nama perusahaan/organisasi, nama dan jabatan setiap tamu, tujuan jamuan, serta jumlah peserta. | Each occasion requires Management approval before it takes place, including approval of its budget, on a case-by-case basis. The request must state the company or organisation name, each guest's name and position, the purpose of the entertainment, and the number of participants. |
| Expense Report wajib memuat rincian tersebut beserta bukti pembayaran aktual. | The Expense Report must include these details and evidence of actual payment. |
| **Makan rapat dan perjalanan dinas dalam kota** | **Meals during meetings and local business travel** |
| Biaya makan bersama pihak eksternal selama rapat atau perjalanan dinas dalam kota hanya ditanggung perusahaan apabila memenuhi ketentuan Jamuan Bisnis dan telah mendapat persetujuan Manajemen sebelum pelaksanaan. | The company covers meals with external parties during meetings or local business travel only when they meet the Business Entertainment requirements and have received Management approval before the activity. |

## 5. Pengajuan biaya dan penggantian biaya

## 5. Expense requests and reimbursement

| BAHASA INDONESIA | ENGLISH |
|---|---|
| **Biaya perjalanan yang tidak dapat dibebankan** | **Non-reimbursable travel expenses** |
| Tidak dapat dibebankan: rokok/vape, alkohol, kebutuhan pribadi, biaya keluarga/pendamping, denda, upgrade tanpa izin, biaya yang sudah disediakan pihak lain, bukti tidak sah, serta klaim fiktif/diubah. | The following may not be charged to the company: cigarettes or vaping products, alcohol, personal needs, family or companion expenses, fines, upgrades without approval, expenses already provided by another party, invalid supporting evidence, and fictitious or altered claims. |
| **Biaya yang tidak dapat diganti** | **Non-reimbursable expenses** |
| Satu daftar berlaku lintas expense: rokok/vape/alkohol, biaya pribadi/rumah tangga/hiburan pribadi, denda/kelalaian, upgrade, biaya bank pribadi, bukti tidak sah/tanpa persetujuan, biaya yang dibayar perusahaan/klien/asuransi, duplikasi, bukti diubah/fiktif, dan biaya tidak terkait dinas. Tip tidak diganti, service charge wajib pada tagihan dapat diganti. | A single exclusion list applies across all expense categories: cigarettes, vaping products, alcohol, personal or household expenses, personal entertainment, fines or negligence-related costs, upgrades, personal banking fees, invalid or unapproved expenses, costs already paid by the company, client, or insurer, duplicate claims, altered or fictitious evidence, and expenses unrelated to business travel. Tips are not reimbursed. Mandatory service charges shown on the bill may be reimbursed. |
| **Biaya terencana dan mendadak** | **Planned and unforeseen expenses** |
| Biaya terencana tidak boleh menggunakan uang pribadi karyawan, harus diajukan sebelumnya untuk pembayaran langsung perusahaan atau uang muka. Uang pribadi hanya untuk kondisi mendadak dengan persetujuan atasan dan Finance, persetujuan melalui chat/email resmi wajib didokumentasikan. Pengajuan terlambat untuk kebutuhan yang sudah diketahui bukan kondisi mendadak. | Employees must not use personal funds for planned expenses. These expenses must be requested in advance for direct company payment or an advance. Personal funds may be used only for unforeseen needs with the approval of the supervisor and Finance. Approval through official chat or email must be documented. Late submission for a need that was already known does not qualify as an unforeseen need. |
| **Batas waktu pengajuan penggantian biaya** | **Reimbursement submission deadline** |
| Pengajuan maksimal 30 hari kalender sejak tanggal transaksi. Pengajuan yang melewati batas dianggap hangus, kecuali keterlambatan disebabkan proses atau instruksi perusahaan dan disetujui kepala perusahaan atau direktur. Ketentuan ini tidak berlaku untuk penyelesaian uang muka atau LPJ yang mengikuti batas waktu masing-masing. | Claims must be submitted within 30 calendar days of the transaction date. Claims submitted after this deadline are forfeited, unless the delay results from a company process or instruction and is approved by the company head or a director. This deadline does not apply to advance settlements or LPJ submissions, which follow their respective deadlines. |

| BAHASA INDONESIA | ENGLISH |
|---|---|
| **Bukti pengeluaran** | **Supporting evidence** |
| Bukti pengeluaran wajib memuat tanggal, nama vendor, rincian barang atau jasa, dan nilai transaksi. Bukti transfer saja tidak cukup. Dokumen harus terbaca dengan jelas dan tidak boleh diubah atau dibuat sendiri. Dokumen asli wajib disimpan sampai pembayaran selesai. Pengeluaran tanpa bukti hanya dapat diproses sebagai pengecualian dengan persetujuan atasan dan Finance. | Supporting evidence must state the transaction date, vendor name, details of the goods or services, and transaction value. Proof of transfer alone is insufficient. Documents must be clearly legible and must not be altered or self-created. Original documents must be retained until payment is completed. Expenses without supporting evidence may be processed only as an exception with the approval of the supervisor and Finance. |
| Khusus jamuan bisnis, Expense Report wajib mencantumkan nama perusahaan klien/vendor, nama dan jabatan orang yang dijamu, serta tujuan jamuan. | For business entertainment, the Expense Report must state the client or vendor company name, the names and positions of the people entertained, and the purpose of the entertainment. |

Waktu masuk dana dapat mengikuti proses bank. | Complete and approved claims received by Finance before 12:00 noon are processed on the same working day. Claims received after 12:00 noon are processed on the following working day. The time funds are credited may depend on bank processing. |
| **Biaya korporat terencana lainnya** | **Other planned corporate expenses** |
| Hadiah/bunga untuk klien/vendor, pelatihan/seminar, professional membership, dan subscription merupakan biaya terencana yang dibayar langsung perusahaan, bukan reimbursement normal. Wajib pre approval, harus memiliki tujuan dan penerima bisnis serta tidak berupa uang tunai/menimbulkan konflik. Pelatihan disetujui atasan dan HR, membership/subscription disetujui atasan dan Finance serta memakai akun perusahaan bila memungkinkan. Reimbursement hanya untuk keadaan mendadak yang disetujui sebelumnya. | Gifts or flowers for clients or vendors, training or seminars, professional memberships, and subscriptions are planned corporate expenses paid directly by the company rather than through normal reimbursement. Prior approval is required. They must have a business purpose and an identified business recipient, and must not involve cash or create a conflict of interest. Training requires approval from the supervisor and HR. Memberships and subscriptions require approval from the supervisor and Finance and should use a company account where possible. Reimbursement is permitted only for unforeseen needs approved in advance. |

## 6. Persetujuan dan pembagian tanggung jawab

## 6. Approvals and segregation of duties

| BAHASA INDONESIA | ENGLISH |
|---|---|
| **Persetujuan biaya dan pembagian tanggung jawab** | **Expense approvals and segregation of duties** |
| Persetujuan biaya mengikuti matriks persetujuan terlampir. Atasan langsung menilai kebutuhan dan kewajaran biaya, HR memastikan kesesuaian dengan Expense Policy, dan Finance memverifikasi dokumen serta memproses pembayaran. Pengecualian besar (major exceptions) memerlukan persetujuan Direksi. | Expense approval follows the attached approval matrix. The direct supervisor assesses the necessity and reasonableness of the expense, HR ensures compliance with the Expense Policy, and Finance verifies documents and processes payment. Major exceptions require approval from the Directors. |
| Karyawan tidak boleh menyetujui klaimnya sendiri. Jika pemberi persetujuan turut menerima manfaat, persetujuan dialihkan kepada pejabat lebih tinggi yang berwenang. | Employees may not approve their own claims. If an approver also benefits from the expense, approval must be referred to a higher authorised official. |
